

Students Terms and Conditions

Please ensure you are carrying your valid Student ID with you to show a company official when requested. Please note if your student ID cannot be presented your account may be blocked pending it being shown at a later date. This will also incur an administration charge to reopen the account.

To qualify the ID card must be:

- a 'credit' card style and not laminated. We will accept any ISIC or UK registration card.
- a photo ID and have a commence/expiry date or have the years of validity printed on the card (e.g. 17/18 would refer to the academic year between September 2017 through to the end of the academic year in July 2018).

If the registration card only has a start date, we will accept it for three years from that date. For any longer than this we will require an original letter confirming the end date of your course and this will need to be carried with you when traveling. In the event of an m-ticket being used, this will need to be shown to the driver when boarding the bus and any other company official on request. Alternatively, an ISIC card can be purchased from STA Travel for a nominal charge; you will need to provide evidence of your student status. Their address is 38/39 North Street, Brighton, BN1 1RH.

Student keycards are not transferable; cards found being used by a third party are liable to being withdrawn and a penalty fare applied to the account.

Please note that we do not accept NUS cards and only accept the expiry date on the ISIC side of an NUS extra card (for a three year NUS extra card these dates may be different).
