

## going further

For over 5 years, our distinctive blue bendy-buses have been the best way to get to the bay.

Now we're making baycar even better.

We've extended the route so you can now travel easily and quickly between Cathays Park, the city centre and Porth Teigr.

We've included a new route map to show you exactly where we go, where to get on and off and bus times from the most popular stops.

We still run every 10 minutes Monday to Friday daytimes, and every 15 minutes at other times. It's just that we now go a little further!
